# **SUDDEN SERVICE**

*Girl Scout of the Sierra Nevada often receives requests for help with community service projects or presentations, and we need your help! If your troop (or individual Girl Scout) would be willing to be "on call" as a Sudden Service participant, you are encouraged to sign up for this program year. It doesn't mean you have to say "yes" every time you are called, but it does mean you will have some great opportunities for service, fun, and learning! Requests that are typically received include: flag ceremonies, parades, staffing booths, child care at a community function, environmental projects or assisting at community events. If you're interested, please complete the bottom of this flyer and return to:*
