Letter from the CEO

Every day we see girls discovering who they are and what they’re capable of. Whether it’s a Daisy speaking up in her first troop meeting or an Ambassador completing her Gold Award, those moments of transformation are what fuel our work in Girl Scouts. We don’t just plan activities; we create life-changing experiences that shape the future for girls to develop a strong sense of self, a willingness to take risks and to become who they choose to be.

At Girl Scouts of the Sierra Nevada, our mission is clear: to build girls of courage, confidence, and character, who make the world a better place. Our vision is to ensure every girl regardless of background, location, or ability, has access to dynamic, relevant, and empowering programming that helps her thrive.

From outdoor adventure to STEM exploration, every program we offer is intentional and girl-centered. Through hands-on activities and community service projects, girls learn to collaborate, problem-solve, and lead with integrity. Flagship programs like the Girl Scout Cookie Program teach financial literacy and business ethics, while outdoor adventures build resilience and teamwork. GSSN is constantly innovating to deliver programs that honor our traditions while preparing girls for the world they live in today.

We design every activity with a simple question in mind: How will this help her grow? Independent research shows that Girl Scouts are more likely to exhibit leadership, achieve academic success, and value civic engagement. Alumnae include U.S. senators, CEOs, astronauts, and community leaders. 80% of female tech leaders and 69% of female U.S. senators were once Girl Scouts, a testament to Girl Scouts transformative impact. In 2024, more than 1,000 girls across the Sierra Nevada region engaged in council-led programs, and all earned new badges and patches. For many, these were first-time experiences from pitching a business idea, coding a robot, or sleeping under the stars.

Despite our reach, Girl Scouts of the Sierra Nevada continues to face serious funding gaps, especially in our underserved communities. It is through the strong support of our donors that we were able to meet our goal in 2024 to never have to say “no” to a girl wanting to participate in our quality Girl Scout programming.

Thank you to our corporate and community sponsors, our supporting foundations, our individual donors, and our amazing volunteers and staff for a tremendous 2024. Together, we will continue to ensure every girl across the Sierra Nevada has the opportunity to lead, learn and grow. Thank you for believing in what is possible as we come together to build more confident, courageous and capable young women.

Ann Nelson, CEO

Lyn Beggs, Board President

OUR MISSION

Girl Scouting builds girls of
courage, confidence, and character,
who make the world a better place.

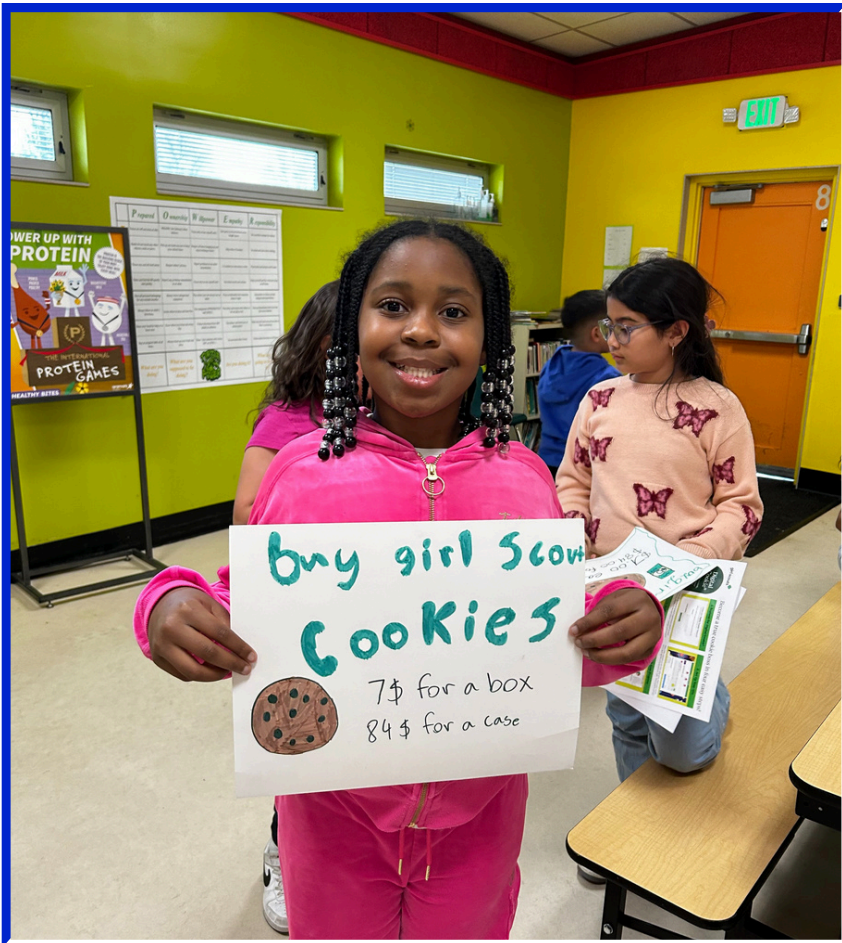

GIRL SCOUT PROMISE

On my honor,
I will try:
to serve God* and my country,
to help people at all times,
and to live by the Girl Scout Law.

*Members may substitute for the word God
in accordance with their own spiritual beliefs.

GIRL SCOUT LAW

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong,
and responsible for what I say and do,
and to respect myself and others,
respect authority,
use resources wisely,
make the world a better place,
and be a sister to every Girl Scout.

COUNCIL-LED TROOPS (CLT's)

Council-led troops (CLT's) bring Girl Scouting to girls in all areas of our council to ensure that we are meeting the needs of the girls in our community. Whether these are rural areas where there are less services available, middle to affluent neighborhoods where volunteers are difficult to find due to time commitments, or low-income neighborhoods and schools, our CLT program ensures access to Girl Scouts for every girl.

We had sixty-seven CLT's this year located in the following northern Nevada communities: Reno, Sparks, North Valley's, Carson City, Minden, Gardnerville, Fernley, Fallon, Hawthorne, Winnemucca, and Elko. Girls in CLT's wear uniforms, earn badges, go on field trips, participate in council hosted programs, participate in the Cookie and Fall Product sales, and more- just as a girl in a volunteer led troop would.

This year we continued our Social Work Internship program with six interns from University of Nevada Reno working towards their Bachelor of Social Work. These students received hands on experience working directly with girls and families in our CLT program as professional troop leaders.

STEM

Girl Scouts of the Sierra Nevada introduces Girl Scouts of every age to science, technology, engineering, and math (STEM). Our goals through our K-12 STEM curriculum are for every girl to explore different aspects of STEM and to inspire girls to embrace and celebrate scientific discovery in their lives.

The Girl Scout National Program Portfolio has one hundred forty-eight STEM badges available for girls to earn in the troop setting, led by our dedicated volunteers. Badges include topics such as Robotics, Mechanical Engineering, Space Science, Coding, and so much more! This year Girl Scouts of the USA introduced the new Animals Badge series. Girls learned the many ways they could make a positive impact on the lives of animals through hands on experiences and problem solving, to navigate real life problems with science based solutions.

This fiscal year we partnered with several of our STEM partners- the experts in our community- to help us lead STEM programs for our Girl Scouts, including:

- The National Automobile Museum- Guided Tour & Engineering Workshop
- Panasonic- Factory Tour & Manufacturing for Clean Energy Patch Program
- Nevada Mining Association- Mining in Today's World Patch Program
- i-80 Gold- Day at Lone Tree Mine
- Carson City Sheriff's Office- Special Agent Badge
- Great Basin College- Elko STEM Career Day
- Communities in Schools- Elko STEM Career Day
- University of Nevada Reno- Think Like an Engineer Journey
- UC Davis Tahoe Science Center

OUTDOORS

Girl Scouts of the Sierra Nevada's year-round outdoor programs provide girls with time in nature away from a digital environment. Led by our experienced outdoor staff, girls participated in day programs such as hikes, snowshoeing, rock climbing, archery, bird watching, horseback riding, and white water rafting. Our outdoor program partners volunteered their expertise, time, and helped lead some of our programs including:

- Cast Hope- Fly Fishing
- Old Lyfe Alpacas- Ranch Tour
- Soulful Seeds- Girl Scout Tree Promise
- Chill Foundation- Snowboard Program
- Lassen Park Foundation- Lassen Volcanic National Park Road Trip
- California Interpretive Center Carlin, NV- Lamoille Canyon Astronomy Program
- Tahoe Rim Trail Association- Youth Back Country Camp

Our regional trips included a day trip to Mono Lake, Troop & Family Camp in Soda Springs, Lamoille Canyon Campout, Nevada National Parks Road Trip, Lassen Volcanic National Park Camp, and a road trip to the Mendocino Coast.

The Girl Scout Leadership Experience provides life-long benefits that enrich girls' lives to help them turn into well-rounded active members in our communities. Five of the proven outcomes are:

- Sense of Self
- Challenge Seeking
- Positive Values
- Healthy Relationships
- Community Problem Solvers

The Life Skills badges the girls earn mark achievements such as civic engagement, financial literacy, healthy living, and practical skills. The life skills learned through our program help lay the groundwork for life development which helps girls grow into the change makers of the world. This year we partnered with several community members and organizations to help guide our programs, including:

- Soroptimists International Sierra Reno- Overcoming the Fear of Failure
- Khalilah Cage- Upcycling Fashion
- Greater Nevada Credit Union- Bite of Reality
- Connie Wray-Goddard- MEdia & aMuse Journey
- Hedy Lim- CPR/First Aid Training
- Kelsey Mast- Clay Art
- Nevada State Legislature- Girl Scout Day at the Legislature
- Paws 4 Love- Therapy Dogs / Mental Health Awareness Month

FALL PRODUCT PROGRAM

The Fall Product Program allows our troops to earn start up money at the beginning of the Girl Scout year by selling nuts, candy, magazines, and dog treats to friends and family. Deliveries arrive just in time for holiday giving and make thoughtful gifts for teachers, co-workers, and friends. We had over 100 girls participate in the Fall Product Rally, held at Reno Ice in late September, where girls had the opportunity to learn more about the program in addition to a day of fun while ice skating with their Girl Scout friends.

This year's Fall Product Program mascot was the Asian Elephant and themed Embrace Possibility. In addition to girls learning the five financial literacy skills: Money Management, Goal Setting, People Skills, Decision Making, and Business Ethics; girls learned all about the endangered elephant, its habitat, and the importance of their eco-system.

GIRL SCOUT COOKIE PROGRAM

The Girl Scout Cookie Program is the largest girl-run entrepreneurship program in the world. The 2025 Cookie Rally for GSSN was sponsored by Greater Nevada Credit Union and held at Clayton Middle School in Reno, NV. Over 300 girls participated in our Reno Cookie Rally. During the rally and throughout the season, each Girl Scout learned and practiced the five essential financial literacy skills: Money Management, Goal Setting, People Skills, Decision Making, and Business Ethics

This year's cookie mascot was the Panda, appropriately named Mei Lan-meaning beautiful orchid and wise lady. Girls learned about the endangered animal, its eating habits, camouflage, and about the Chinese naming ceremony when the panda is 100 days old.

Girl Scouts Highest Awards

Girl Scouts is the only place where girls can earn the Gold Award—one of the most prestigious awards for girls in the world!

Earning a Girl Scout Gold Award is a great boost when it comes to applying for college and scholarships, establishing a lifetime network, and so much more! Younger Girl Scouts can earn their Bronze and Silver Awards. This year we had five Gold Award Girl Scouts, five Silver Award Recipients, and three troops earn their Bronze Awards. All three of these awards give girls the chance to make powerful, lasting change in their community while working on an issue that has captured their interest in a big way.

Girl Scouts were recognized at the annual All That Glitters Award Ceremony held in May, at the Reno Ballroom. In addition to our Bronze, Silver, & Gold Awards, we recognized our ten-year Girl Scouts, Graduating Seniors, Scholarship Awards, and Volunteer Awards.

Kristianna Meister
“Dancing Through the Decades”

Kristianna’s project was designed to enhance the lives of senior citizens and those who may need extra assistance going through life. Through dance, Kristianna created a program that engaged participants both mentally and physically, with the goal of getting people up and moving.

Delaynie Bowley
“Pet Safety Patrol”

Delaynie’s project, Pet Safety Patrol, tackled the widespread issue of pet poisoning, which affects more than 401,500 animals annually in the U.S. Recognizing a gap in pet owners’ knowledge about household hazards and essential pet first aid, Delaynie assembled and distributed pet first aid kits at Desert Hills Animal Hospital. She also educated more than 50 people about common dangers and provided a link to her website, offering additional resources and a customizable pamphlet for pet owners nationwide.

Millie Grieve
“Breast Vests”

Lifeguards of the City of Reno were uncomfortable with the concept of performing CPR on the female anatomy because they lacked training. Millie’s project aimed to reduce the fear around touching women to perform life-saving CPR by increasing exposure and answering uncomfortable questions. She created vests to zip over the mannequins that the City of Reno already had, using neoprene to make the vests more effective on the pool deck.

Neva Mellow
“The Art of Letting Go”

Neva hosted five seminars for freshmen in the Carson City School District, educating them on the 16 types and five stages of grief. She emphasized the importance of support groups and self-care in navigating these emotional challenges. Following the seminars, students created art pieces to express their journey of overcoming grief. These artworks were donated and displayed at the Brewery Arts Center and local organizations with a focus on mental health, helping to raise awareness and foster healing within the community.

Faith McRea
“Emotions through Art”

Faith’s project is meant to help students who experience anxiety and depression when doing school assignments and tests. This project is meant to help them express these negative emotions through art using colors and shapes. Faith researched art therapy and how it can help people who are dealing with negative emotions. Faith presented the color wheel to students and taught them how they can use art to express and influence their emotions. She uploaded art videos to YouTube for people to watch when they are feeling upset, and she also passed out brochures that she designed with affordable resources to professional help if they need it.

Congratulations to our 2025 College Scholarship Award Recipients!

CRUTCHFIELD-HEALY SCHOLARSHIP

Girl Scouts of the Sierra Nevada is very fortunate to have a scholarship award funded for us by a very special family.

Thanks to a generous gift, the Crutchfield-Healy scholarship has been awarded to a young woman each year since 1997. The purpose of the scholarship is to recognize the accomplishments of a GSSN Ambassador Girl Scout who is a graduating senior, earned her Gold Award, and has been accepted to a four-year college or university.

Volunteerism

Volunteers are the backbone to our organization and we can't thank them enough for giving their generous time, talent, and commitment to our movement. An average troop leader spends anywhere from 60-120 hours per year volunteering for their troop.

A Girl Scout Troop Leader can dedicate up to 13 years of their life serving as a troop leader for our youngest Daisy Girl Scouts that start at the kindergarten level and continue all the way through Ambassador level- high school graduation!

Volunteer Learning

This year our staff offered over 30 Volunteer learning opportunities in topics such as CPR/First Aid, Troop Financials, Outdoors, Cookies, & New Leader Training.

Our annual Volunteer Learning Conference was held in September at Truckee Meadows Community College, where volunteers engaged in a full day of extended learning in various topics that ensure that we keep our Girl Scouts safe.

Over 2,000 staff hours were spent working directly with volunteers throughout our council jurisdiction this year.

Triumphant Luncheon

Triumphant is our annual fundraiser with the goal of raising critical funds to support our council and showcase our quality programs. This year's event was held on June 20th at Whitney Peak Hotel where guests had the opportunity to see first hand from the girls the various programs they have been working on, ask questions, and immerse themselves in Girl Scouts culture. Additionally, guests were able to bid on auction items such as jewelry, photography sessions, wine, and even an African Safari! Our Triumphant committee is comprised of community members dedicated to moving the Girl Scout mission forward.

Thank you to our 2025 Triumphant Sponsors

Thank you to our sponsors of the Triumphant luncheon who help provide quality programming and ensure that all girls have the opportunity to be a Girl Scout.

The GSSN Juliette Gordon Low Society recognizes and celebrates individuals who make a planned or deferred gift to Girl Scouts of the Sierra Nevada, assuring Girl Scouting will be available to future generations of girls. Society members translate their lifelong passion for Girl Scouts into a legacy that will build girls who make the world a better place for many years to come. A planned gift can include naming Girl Scouts of the Sierra Nevada as a beneficiary of a will, retirement plan, living trust, life insurance policy, remainder gift of real estate, and other gifts that benefit Girl Scouts in the future.
