Super Seller Club

Individual girls who sell 800+ packages of cookies qualify to become a member of the Super Seller Club. Girls earn points based on the number of boxes sold and can spend their points on any combination of Super Seller rewards. See chart below.

Caregivers will be emailed a link to select their rewards approximately 1 week after the cookie program ends. If a response is not received by the deadline, GSSN certificates will be issued for the points earned.

* Contact your troop's product sales coordinator if you are unsure of the amount of boxes sold for your Girl Scout.
