Fall Resources

Additional resources are available online at www.gssn.org. You should receive one order card and one flyer for each participating Girl Scout the week of Sept. 9.

Girl Scouts Can Earn Avatar Patches!

Each participant who creates an avatar, sends 18+ emails, shares their link, and has \$375 sales will earn a patch featuring their very own virtual likeness!

Participants have many options to choose from including a Girl Scout uniform or other Girl Scout branded attire as well as the patch's background.

Check for more details on the online site www.gsnutsandmags.com/gssn or the product order card.

Troop Proceeds

Troop proceeds are automatically calculated by the M2 system. Troops can view the total amount earned by selecting the [Banking and Payments](#) link from their troop dashboards. Troop proceeds are 18% of total sales for all products.
